August 2009 Newsletter

Warriors,

Here we are in August already. Where has this year gone? ARCA 21 is going strong and have been very busy. We just finished attending the CSQA mid year meeting for our own Dave Jacobi. It was well attended by the members of CSQA. ARCA had a great showing, as they always do. We had 23 members at the meeting and many more were there passing out liquid refreshments and snacks. In typical ARCA form, many of us took out Brothers from other Teocallis to local eating and drinking establishments. Some were taken to enjoy one of the largest pizzas in St. Louis, The Stegosaurus. My lovely bride, Ron, and I took the Past Grand Master of Iowa, Don Mosier, his lady and 2 other couples to one of the best eating and drinking establishments on North County, BJ's. If you have never been to this fine eatery, you are in for an experience. It is a small one room tavern. The food is excellent and they serve you get drinks in mason jars. They all had a great time no matter where they went. We used this as a test run for the Feast coming in October. If we do as well as we did for Dave, we will have another great event. As a last note, I would like to recognize Dennis Kelley Jr. Dennis was chairman of the hospitality room. He did a great job coordinating the workers, food and toasts for the meeting and luau celebration.

By now, all of you should have received a copy of the revised by-laws of ARCA 21. Rich Steed and his committee did a great job going through them. This will bring us up to date with the SEE and the needs of our Teocalli. We had a long discussion at our June meeting tweaking them to the finished product. We will be voting on them at our August 20th meeting.

Are you interested in getting in the advancing line of ARCA 21? Let your intentions be known to the selection committee. The committee is Wayne Price, Charlie Rieder and John Triska.

We are 2 months away from the Feast of Fire. Since this event is being held here in St. Louis, it is a great opportunity for our Artisans to get the Master Artisan degree. Any other time you would have to travel to other cities or go to Mexico to get the degree. Let's make ARCA 21 the only Teocalli with 100% of its members Master Artisans. We need all the workers we can get. Contact Ron Reynolds or Mark Rethmeyer to get in touch with a committee that needs help.

Mark your calendar. I have set the date for our Christmas party. Yes, it is hard to believe since it is 90° outside, but December is less than just 4 short months away. Sunday, December 6th is the date, at 2:00 PM at Orlando Gardens on the corner of McKelvey and Dorsett Rd. More information will be coming out soon.

That is all for now. Hope to see you at future meetings.

Remember: What's the name of the game?

Fun is the name of the game.

Ole!

Don
