### AMIGOS'

November rolls in and my year is almost up! Well it's official, My gavel has been stolen. This has to be a record or something, 10 months, 16 days, 19 hours and 10 minutes. O'well maybe Santa might bring me a special gift this year. Oh I almost forgot, my backup gavel was missing too. But as luck would have it, my backup gavel showed up at the Cinco de May in Octubre party. Well only for about 30 minutes. Seems I left it in the trusted arms of my Mother only to be taken away again. Now who would steal from my Mother? Hmmm.....

A BIG Thank you for everyone who attended Cinco de May in Octubre party. From the looks of things and how much of the Margaritas were flowing, that everyone had a great time. Congrats to John Morrison for winning the portable GPS and Bette Reese for winning the \$25.00 gift certificate to Las Palmas.

The Nomination Committee reported that Tony Leech is their nominee for the position of Titlauacan. Thanks to the Nomination Committee for a great job! Nominations will be taken from the floor, if any, at the November's Meeting.

Make sure you mark your calendar for the "Q" Christmas Party on Sunday afternoon December 14th. This year we will be at Spiro's Restaurant in St. Charles. Hope to see everyone there. See invitation for more information.

Until Thursday.

OLE'

Mike
